SOUTH DAKOTA.

votes have to average one a minute all day; palls opened at \$ o'clock; at \$30 twenty-five votes dast in First ward; same all over the city, many being on hand waiting for the polls to open.

Yankton—Weather cleared this morning; now warm and pleasant; heavy vote being palled; reports indicate full vote throughout the state; election pregressing quietly.

Sioux Falls—Information from all over the state say both sides are confident. Returns will be slow on account of muddy roads in the country districts.

TENNESSEE.

TENNESSEE.

Nashvills—Polls opened at 7 o'clock; bittendance good; conditions point to large vote; weather slightly cloudy.

Memphis—Weather is cloudy but pleasant; at 9 o'clock, when polls opened, large crowds in line at all voting places; registration, both city and country, heaviest ever known; indications point to full vote.

Chattangora—When the polls greened.

Chattanooga—When the polls opened there was a large attendance at every voiling place and the indications are that the vote will be the largest ever polled under the Australian ballot law. Both

Nashville—Reports received at noon from points throughout the state show that the vote is very large. The election is progressing rather slowly in the half dozen largest counties where the voting is done under the Australian ballot system. In many counties the vote is larger than for years past and for this reason the returns are likely to come in slowly. The weather research is road and the The weather generally is good and the voting is being done as rapidly as possi-

formal reports from many countries tell of much larger vote than usual and great interest in the result. The majority of sound money democrats are voting for McKinley. The Republican leaders are still claiming the state for McKinley and Tillman for governor. It will take fuller advices from the polls to indicate approximately the result of the election.

Dallas Election day dawned foggy and warm; polls opened promptly at \$ o'clock, with quite a number waiting to vote; great interest evinced.

UTAH Salt Lake-Weather damp and chilly: light snow on the ground; voters slow coming out; very few people at the polls at so'clock; first election in Utah under the Australian bellot system; voting

slow. Salt Lake-There was decided imone Lane There was decided im-provement in the weather at noon and it was estimated that about 50 per cent of the vote in this city had been cast at hat hour. Very little has been heard from the state. Advices from some of the principal points say that the full vote is being polled.

VERMONT.

St. Albana-Perfect weather and good roads the propositions accompanying election day in Vermont; in some sections a marked increase in Bryan con-fidence within the last two days; very

Tacama-Election passing off quietly; very heavy vote cast by 10 o'clock; very little scratching; reports from different parts of the state of similar import; both the state at large so far, but the

Up to noon the voting in this There are four tickets | 12 o'clock and in another 52 were

WASHINGTON CITY. Washington-Chairman Babcock this afternoon received a telegram from Mr. Richmond Pearson, the Republican mem ber of congress at Asheville saying that the voting was quiet and orderly and that his success was assured. Mr. Bab cock says this indicates that the large to registered will be cast and that the elate may be put in the McKinley coturen. In reply to a telegram from a friend in Milwaukee asking if he claimed North Carolina for McKinley, Chairmag Rabouck answered: 'Sure.

WEST VIRGINIA.

Washington-A special to the Stat from Wheeling, W. V., says: Good weath least 5.00. The fusionists concede the city but insist that the balance of the ing has occurred to change the forecast state will offect it and leave Bryan's of Chairman Dawson and Edmonston, majority 5,000. Over half the vote has each claiming the state for McKinier er indicates an unusually full vote. Note and Bryan respectively by 8,000 and 15,-Gold Democrats are voting largely
